OUR

# STORY

At Virgo, quality is of utmost importance and we maintain the same in all the business heads of ours. We never compromise on quality and that is why we are recognized as indisputable leaders of laminate, plywood, aluminum, PVC and ACP. Apart from our adherence to quality, our 32 years long experience trail helps us deliver unmatched products to our customer. Be it laminate, plywood, aluminum products, for us, customers satisfaction is a barometer of our progress. In fact, we also focus on the overall development of society by favoring sustainable development. We are equivalently concerned about the environment, so we produced eco-friendly product that do not harm nature. We always stick to our ethos, value system and professionalism that fuel our spirit to serve the finest quality products. Right from picking up the raw materials to serving the final product, we observe all the standards of quality and safety due to which today, we have earned the market recognition of highest producer and exporter of laminates. We aspire hold this position for many more years to come by keeping on innovating and serving exactly the right products.

### OUR CERTIFICATIONS

A mark of excellence in quality, reliability, and expertise that has raised industry standards and inspired us to always provide our customers with the best
